Embryo Dam
Class Environmental Assessment

Notice of Project Completion

Date of Notice: April 28, 2026

The Upper Thames River Conservation Authority (UTRCA), through their consultant Ontteris, has now completed the planning and design process approved under the Environmental Assessment Act in the Class Environmental Assessment for Remedial Flood and Erosion Control Projects for undertaking a remedial flood and erosion control project regarding Embryo Dam, located at 843970 Road 84, Lot 15, Concession 4, Township of Zorra, Oxford County (Lat. 43°10'09" N, Long. 80°54'55" W).

We thank you for your interest and participation in the planning of this project.
