Schedule “D” 2026 Bid Form UTRCA Agricultural Properties

(To be returned in a sealed envelope or by email to purchasing@thamesriver.ca)

Property Location (from Schedule “B” Field ID and Acreage)

Bid amount in dollar per acre per year ($/acre/year): **Example highlighted in blue in the table below.**

*Where more than one field makes up an agricultural unit, variable bid amounts may be submitted for each field.

Map ID # Agricultural Unit	**Field** *A,B, or G1-G5	**Lots**	**Concession**	**Township**	**County**	**Acreage**	**Bid Price** $/acre/year
F3	A	13	1	Thames Centre	Middlesex	49	$000

Schedule “C” outlines the recommended cropping, tillage, and other best management practices to minimize the soil loss on the property. You are encouraged to develop your own management plan for review and consideration during the tenant selection process. Please outline the anticipated crop rotation, including any tillage (Spring or Fall) during each crop rotation, include considerations for cover crops, manure or other notes relating to 4R practices or best management practices. If you have any questions, please contact: Land Management Supervisor Jason Belfry, belfryj@thamesriver.ca or (519) 451-2800 Ext. 280
